41 TO 50	4 1/2	5	6	6 2/3	7 1/2	8 1/3	9 1/3	10	11	11 1/3	12 1/3	13 1/2	14 1/3	15	16	16 2/3

Small or random fabric patterns are suggested to avoid having to match one louver to the other. If a strong horizontal pattern is selected, you may wish to cut the fabric to match, in which case you should allow extra fabric. Additional material needed is determined by comparing louver length and the length of the pattern repeat.
